

BTSF Info day

Luxembourg, 4th of June, 2013
Executive Agency for
Health and Consumers
Salvatore Magazzù

EAHC- history

- *Formerly the PHEA*
- *In 2008 the Agency's name was changed, the mandate was prolonged and expanded to include actions in consumer protection and training for safer food*
- *Our mission is to deliver professional service, consistent high standard of technical and financial management, implementation of tasks and activities entrusted by the European Commission*

What we do

EAHC:

- *carries out all the operations necessary for the management of the programmes*
- *manages all phases of projects, from launch of CfT to evaluation of offers, award contracts, monitoring and supervision of implementation*

What we do

EAHC:

- *helps to disseminate know-how, feedback on projects results to DG SANCO for policy making*
- *fosters networks, provides support for technical activities, studies, analysis*

EAHC and Commission (DG SANCO)

Distinct responsibilities

- Commission sets priorities in annual work plans, liaises with Member States
- EAHC executes programmes, launches proposals and tenders, manages and monitors projects, improves efficiency of management and ensures feedback and dissemination

EAHC and Commission (DG SANCO)

... but close coordination

- Steering Committee meetings
- Regular liaison meetings
- Regular meetings at technical level
- Participation in Evaluation committees
- Cooperation framework (SOPs)
