What CHAFEA does?

The tasks entrusted to the Agency and the conditions under which the Agency is to exercise the delegated powers are set out in Commission Decision C(2013)9505 as amended by the subsequent decisions C(2014) 9594 [Annex] and C(2015)8752 encompassing the implementation of:

- the Consumer Programme 2014-2020;
- the Public Health Programme 2014-2020;
- the food safety training measures covered by Directive 2000/29/EC and Regulation (EC) No 882/2004, better known as **Better Training for Safer Food (BTSF)** initiative

How we are doing this?

Managing all or part of the stages of programme implementation and all or part of the phases in the lifetime of specific projects on the basis of the relevant work programmes adopted by the Commission;

Adopting the instruments of budget execution for revenue and expenditure and carrying out all the operations necessary for the management of the programme;

Providing support in programme implementation where the Commission has empowered it to do so in the instrument of delegation.

...with great **hope**

cooperation and
